Australia leads on Rushball!

The meeting between President of Russia Rushball Federation Vladimir Makarov and SU SFC Operations and Club Development Manager Nathan Kosmina took place in Sydney University on Friday, 31.08.12. Before the meeting, Vladimir Makarov got acquainted with the coaching process of the student women teams. The principle of “one touch in move” is very important in Rushball and therefore this new soccer would receive a good reception in Sydney Uni soccer team. The agreement between both sides on the demonstration game has been achieved. Picture spread is given [here](#).
